- Usage data related to our services

How We Collect Personal Information

We collect personal information through various methods, including:

- Information you provide directly when you sign up for our services, contact us, or interact with us.
- Data collected through our website, mobile apps, and other digital platforms.
- Information obtained from third-party sources (with your consent).

Use of Personal Information

We use your personal information to:

- Provide, manage, and improve our products and services.
- Process transactions and manage billing and payment.
- Communicate with you about your account, our services, and promotional offers.
- Ensure compliance with legal and regulatory obligations.

Disclosure of Personal Information

We do not share, sell, or disclose your personal information to third parties except as necessary to provide our services or as required by law. This includes sharing information with:

- Service providers who assist in delivering our services.
- Legal and regulatory authorities when required.

Data Security

We take the security of your personal information seriously and implement robust security measures to protect it. This includes:

- Secure storage of information in both digital and physical formats.
- Access controls and encryption technologies.
- Regular security audits and updates.

Access and Correction of Personal Information

You have the right to access and correct your personal information held by us. If you wish to do so, please contact us at accounts@3ctechshop.com.au or call 02 6962 3100.
